Subject: Offender access to new policies

The following policies are new, one has no comparison policy. Offender access to these policies are not indicated. Would you please clarify? Thanks.

-1.3 Americans with Disabilities Act/Amendments Act of 2008

This is a new procedure so there is no Comparison Document. **Not currently on list for offender access.**

I-8.10 Request for Prosecution (previously IS19-3.1) **IS19-3.1 is on the currently list and IS accessible to offenders.**
Has Comparison Document, but is not listed on Offender procedure access.

-5.3 Release Monies **is currently listed as NOT accessible to offenders.**
Has Comparison Document, but is not listed on Offender procedure access.

-5.7 Offender Wages and Payroll **is currently listed as NOT accessible to offenders.**
Has Comparison Document, but is not "X"-ed on Offender procedure access. It implies that they have access, but it is not checked.
