

SO THIS WOULD BE A "NEW" PINE LAWN BOARD OF ALDERMAN ???????  
NOPE.....SAME "OLD" CHARACTERS, DOING THE SAME "OLD" THINGS !

# VOTE "NO" ON APRIL 7<sup>TH</sup>, 2015

James Brooks

## **JAMES BROOKS**

For 4 years as a former Alderman, what did he accomplish in Ward 1?  
**NOTHING....**

Arden Park is still derelict. His personal property on Lorraine is still derelict and has overgrown weeds (an eyesore to the community). He spent more time trying to play "Police" instead of working for his ward as an "Alderman".

## **ROSALYN HALK**

Rosalyn Halk

Voted "out" by 2nd Ward residents in 2008 for getting a leaky roof on her "moms" house replaced free from the Rebuilding Together Organization under "FALSE" pretenses...was that **ETHICAL????** She did not tell them the new roof was for her "moms" house at 4311 Ravenwood. She "**DECEIVED**" the company to help her mom....there are many other residents of the 2nd Ward that could have used a new roof on their house...why didn't she try to help them too??? Sounds like a "**leaky roof scandal**".she is guilty !! Plus, Halk is being supported by a *convicted felon* and **PINE LAWN BURGLAR**...would she use her Alderman seat to help him do more crimes in our city????

Ron Zimmerman

## **ADRIAN WRIGHT**

Adrian Wright

This "*police assaulting*" Ex-Mayor has tricked the City out of nearly 10 properties in Pine Lawn. Is it legal???????? How can we trust Adrian Wright to do the right thing??? He has given away city property to friends and family members. Aren't we smart enough to know the difference between an investor and a hustler?? His progress as the Ex-Mayor seems to be better as an investor than a politician. He was **ARRESTED** for **ASSAULTING** a Pine Lawn Police officer while trying to get away!!! "**WRIGHT**" is "**WRONG**" for Pine Lawn and the 3rd ward!

## **ELWYN M. WALLS**

Elwyn M. Walls

How can this alleged dope dealer with ties to other dope dealers have the nerve to want to be a 4th Ward Alderman in our city???? Plus...he's a "**PERVERT PEEPING TOM**" that was arrested in Pine Lawn for trespassing while peeping in residents windows....be aware residents of the 4th Ward!!! Your windows could be next...Just imagine your children or daughters looking up and seeing him in their windows with his camera!!

**VOTE NO,NO,NO TO ALL 4 OF THESE CHARACTERS!!!**

PAID FOR BY CITIZENS FOR A BETTER GOVERNMENT (2015)
