

# ELIZABETH DROUANT AND JULIKKA LACHE

MARRIED 4 YEARS • TOGETHER 10 YEARS

## ELIZABETH AND JULIKKA

Beth is a special education teacher, and Julikka is a sign language interpreter.

## HOW THEY MET

When Elizabeth applied to the University of Little Rock, all she expected was a comprehensive arts education. She never dreamed that her tour guide would become the love of her life. Daily study sessions led to weekend hangouts playing board games and eating pizza at their favorite joint. One game and three slices later, their friendship blossomed into a ten-year relationship.

## WHY MARRIAGE MATTERS

Elizabeth and Julikka feel that as responsible citizens who pay taxes and invest in their community, they deserve the same privileges afforded to other married couples.
