

# JIM MACDONALD AND ANDY SCHUERMAN

MARRIED 9 YEARS • TOGETHER 12 YEARS

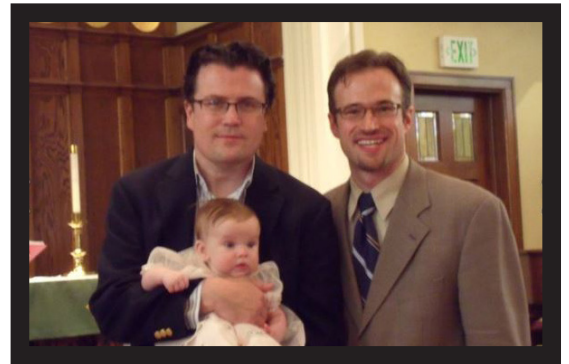

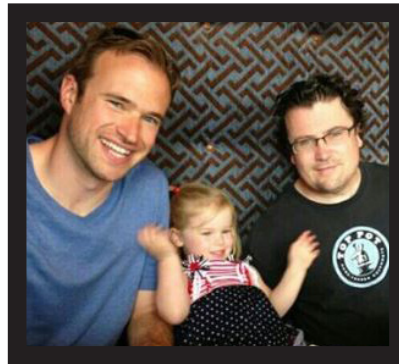

## JIM AND ANDY

Jim and Andy have been together for twelve years. They were married on July 25, 2005. They live in Kansas City with their two-year-old daughter, Grace. Jim is a non-profit professional, and Andy is a school counselor.

## HOW THEY MET

Jim and Andrew met at a gay rights rally. When they married and had a child, the fight for equality became more personal.

## WHY MARRIAGE MATTERS

As parents to two-year-old daughter Grace, marriage is much more than a sentimental expression of their love. It's an institutional benefit that helps tremendously in securing legal rights for their child's welfare.
